

DIVISION OF EMERGENCY MANAGEMENT AND HOMELAND SECURITY TRAINING ANNOUNCEMENT:

Advanced ICS ~ ICS400

See below for Location/Time.

~ Participants must attend all sessions of the course ~

Description:

This course is specific to train personnel on advanced applications of ICS during major statewide catastrophic events.

Objectives include:

- Describe how Unified Command functions on a multi-jurisdiction multi-agency incident.
- Define the advantages of the Unified Command and the kinds of situations which may call for it.
- List the major steps involved in the planning process.
- Dissect issues that influence incident complexity and the tools available to analyze complexity.
- Review the primary guidelines and responsibilities of the command and general staff positions.
- Describe the purposes and responsibilities of agency representatives or technical specialists, reporting relationships and how they can be effectively used within the incident organization.

Target Audience:

Personnel who will serve as Command or General Staff during a statewide catastrophic event. This may include select department heads with multi-agency coordination system responsibilities, area commanders, agency administrators, emergency managers, and Multi-Agency Coordination System/Emergency Operations Center managers.

Cost:

- There is NO cost to attend this course.
- Lodging, travel, and meals are the responsibility of the participant.

Notes:

- Participants who attend all hours required of this course and successfully pass a final exam will receive a Certificate of Completion.
- This course meets NIMS Baseline Training requirements for ICS 400.
- Late registrations accepted on a case-by-case basis.

Prerequisites:

ICS 100 - Introduction to Incident Command System
ICS 200 - ICS for Single Resources & Initial Action Incidents
ICS 300 - Advanced ICS

Number of openings: 25

Registration Deadline: Two Weeks Prior to Course Delivery
