

DIVISION OF EMERGENCY MANAGEMENT AND HOMELAND SECURITY TRAINING ANNOUNCEMENT:

Introduction to the Incident Command System ICS100

See below for Location/Time.

Description:

This course provides training on and resources for personnel who require a basic understanding of the Incident Command System (ICS).

This course introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS).

Target Audience:

Entry-level first responders (firefighters, police officers, emergency medical services providers, public works, public health personnel, others) and other personnel that require introductory ICS.

Notes:

- Participants who attend all hours required of this course and successfully pass a final exam will receive a Certificate of Completion.
- This course meets NIMS Baseline Training requirements for ICS 100.
- Late registrations may be accepted on a case-by-case basis.

Cost:

- There is NO cost to attend this course.
- Lodging, meals and travel are the responsibility of the participant.

Registration Deadline: 2 weeks prior to course

Prerequisites: NONE

Number of openings: 20
